

Year 4NT

Class Curriculum Review- Spring 2024

English

In English, we have been reading 'Charlie and the Chocolate Factory' by Roald Dahl which we found very funny. We used this text to inspire our writing and have written different text types including character descriptions, setting descriptions and instructions on how to make a hot chocolate. We have then used the video 'Rang-Tan in my Bedroom' to learn all about deforestation. We have completed lots of non-fiction writing around this.

Science

In Spring 1, our science topic was 'States of Matter.' We have looked at solids, liquids and gases and their properties. We have explored how they behave and what constitutes each different state. In Spring 2, we have been looking at 'Changing States'. We have looked at how solids, liquids and gases can change into each other.

History / Computing

Our history topic this term has been 'The Romans'. We have absolutely loved studying all about the Roman Army and their invasion in Britain. We have thoroughly researched the army and how it became so strong. We then linked our history with our computing topic and all created our own PowerPoint Presentations to share our knowledge on the Romans. We added colours, transitions and animations and Miss Trainer was very impressed with our computing ability.

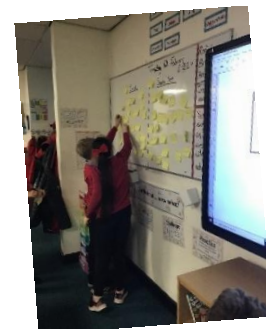

PE

In Spring 1 our PE topic was dance and we then moved onto netball in Spring 2. Miss Trainer was amazed at our dancing ability. We learned to listen to the music carefully and dance to the beat. In netball, we have learned the importance of being a good team mate and how to be a good defender.

PSHE

In PSHE we have been doing a lot of work on online safety and our digital footprint. We now all have a good understanding of what we should and should not do online. We have also been looking at money and how to be sensible with this.

Music

We have been working really hard in music. We have been continuing to learn to play the recorder. This half term we have really focused on rhythm and beat. We have learned new songs including 'Dublin Dan,' which we have really enjoyed!
