

Mrs Blagg/Mrs Howland

Curriculum Review

Spring 2024

English

This term we have read the book 'Leaf' by Sandra Dieckman. The children have written a range of text types including descriptive writing, stories and newspapers. They have been learning to use inverted commas to show speech and writing in paragraphs.

PSHE

Our PSHE theme this term has been 'Living in the Wider World.' We took part in Safer Internet Day and Children's Mental Health Week. We read the story Troll Stinks and wrote kind texts to little Troll to make her feel better after the goats had sent unkind texts. We used the book 'What's Going on Inside My Head' and discussed what mental health is and how to take care of ourselves to have a good mental health.

Geography

We have been learning about Italy and enjoyed locating cities throughout Italy. We have found out some human and physical features of Rome and Venice. We have been able to name some of the rivers in Italy and have found out about some of the delicious food Italians eat!

Science

This term we have been geologists, learning about rocks and how they are formed. We have tested different rock samples of rock in order to find out more about their properties. We have also learned about fossils and how they were formed and where they might be found.

French

This term we have revised our knowledge of numbers, days of the week and months of the year. We are now able to name items around our classroom. We have been learning the names for the people in our families.

Religious Education

In RE this term we have been learning about how Christians see Jesus. We have looked at famous art work depicting Jesus and stories from the Bible to find out about what type of man he might have been.

We finished the term learning about Easter and in particular Palm Sunday. We learnt about the story behind Jesus coming to Jerusalem and proclaiming himself to be King. We found out about Christian traditions at Easter time and finished the half term with our own Easter celebration.
