

Pupil premium strategy statement

This statement details our school's use of pupil premium (for the 2025 to 2026 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Firthmoor Primary School
Number of pupils in school	271
Proportion (%) of pupil premium eligible pupils	49.45%
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2024 – 2027
Date this statement was published	December 2025
Date on which it will be reviewed	November 2026
Statement authorised by	Helen Ashton
Pupil premium lead	Helen Ashton Headteacher
Governor / Trustee lead	Val Johnston Pupil Premium Champion

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£225,402
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year	£225,402

Part A: Pupil premium strategy plan

Statement of intent

The proportion of pupils eligible for Pupil Premium funding in Firthmoor Primary School is significantly above the national average, with some cohorts comprising over 60% of disadvantaged pupils.

In addition, a number of pupils from working families with a limited disposable income, are also considered to be vulnerable which results in the need to provide a far-reaching programme of support across all phases of the school.

Our intention is that all pupils make good progress, achieve high attainment across the curriculum and report high levels of wellbeing.

We aim to provide high-quality teaching with highly trained staff and pupil access to learning experiences which enable them to acquire knowledge and skills across the wider curriculum. Our mantra of 'Visits and Visitors' ensures that disadvantaged pupils are engaged in learning experiences which promote engagement, encourage aspirations and develop subject specific vocabulary.

Our Pupil Premium strategy is to provide early intervention for speech and language and emotional health alongside a programme of rigorous academic support. Provision is selected on the basis of previous successes within Firthmoor Primary School as well as findings from national research e.g. EEF.

Our whole-school approach will be to establish the challenges faced by each disadvantaged pupil and provide a concise programme of academic and/or pastoral intervention. Progress will be rigorously monitored and adaptations made to ensure that:

- early intervention is established to meet pupil need
- parents/carers are engaged at all stages of intervention
- disadvantaged pupils record attendance in line with non-disadvantaged peers
- disadvantaged pupils demonstrate accelerated progress towards challenging targets
- disadvantaged pupils take a pride in their achievements and feel encouraged to aim high

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	<p>Speech, language and communication skills below age-related expectations</p> <p>Significant number of disadvantaged pupils either enter Early Years with speech and language NHS support or are referred during Reception year. Poor speech, language and vocabulary skills continue to impact on attainment into KS1/2.</p>
2	<p>Lack of reading fluency and comprehension skills to access knowledge across the wider curriculum</p> <p>Tracking of phonic acquisition from Reception shows that proportion of disadvantaged pupils meeting the expected standard in Y1/2 Phonic Screening Check is lower than their peers.</p>
3	<p>Limited retention of basic number facts and key concepts e.g. time</p> <p>Feedback from staff and analysis of short assessment tasks shows that attainment for disadvantaged pupils is lower than that of their peers</p>
4	<p>Low levels of self-esteem and wellbeing</p> <p>Number of disadvantaged pupils on neurodevelopmental pathway (ASD) is significantly higher than their peers.</p>
5	<p>Limited access to enrichment opportunities both within and outside of the local community</p> <p>Families of disadvantaged pupils report that they do not have the funds or transport to allow their children to visit different locations e.g. the coast, countryside or museums and art galleries</p> <p>Pupil discussion highlights that vocabulary acquisition is greatly enhanced by first-hand experience.</p>
6	<p>Lower attendance following periods of disrupted learning</p> <p>Attendance for disadvantaged pupils is 1.6% lower than non-disadvantaged pupils (2024-2025)</p> <p>The rates of persistent absenteeism are significantly higher for children in receipt of Pupil Premium (67.9%) compared with non-pupil premium (32.14%).</p>

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
------------------	------------------

Improved speech, language and communication skills for disadvantaged pupils	Speech and Language Technician records show good progress. Phonics Screening Check highlights that pupils' phonic acquisition is not hindered by under-developed speech. Disadvantaged pupils feel confident to express themselves in group/class discussions.
Improved phonic and reading attainment for disadvantaged pupils	Disadvantaged Y1/2 pupils attain at least in line with national average in Phonics Screening Check and KS1 non-statutory assessments. Disadvantaged Y6 pupils attain in line with 'national other' in KS2 reading outcomes.
Automaticity in basic number facts for KS1 pupils. Improved maths attainment for disadvantaged pupils at KS2 in application of number skills	Observations of lessons show that KS1 children show instant recall of basic number bonds. Analysis of KS2 problem solving and reasoning assessments shows that pupils are better able to apply fluency in number skills
High levels of pupil wellbeing	Feedback from Healthy Lifestyle Survey in Y5/6. Feedback from pupil discussion + questionnaires. Increased school/extra-curricular attendance for target pupils.
Increased understanding/retention of subject specific vocabulary and pupil confidence in participating in discussion	Work scrutiny and weekly recall questions in Science/foundation subjects shows that pupils accurately use age appropriate vocabulary. Observations show that disadvantaged pupils show increased contribution to group/class discussions.
Improved attendance for disadvantaged pupils	Attendance gap between disadvantaged pupils and peers being reduced to less than 1%. 'Persistent absence' gap between disadvantaged pupils and peers being reduced to less than 10%.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £71,315

Activity	Evidence that supports this approach	Challenge number(s) addressed
Retention of Speech and Language Therapist to deliver NHS SALT programmes	<p>Previously the school has accessed the services of a Speech and Language Therapist on an SLA basis - 2 days weekly. This service is no longer available.</p> <p>School-based evidence: improved S&L enables better pupil/adult interaction. Staff report reduced frustration levels as children are better able to make themselves understood. Improved access to phonic learning.</p> <p>The Communication Trust worked with the Better Communication Research Programme to develop the What Works database of evidenced interventions to support children's speech, language and communication.</p> <p><u>What works database (ican.org.uk)</u></p> <p>This has been endorsed by the Royal College of Speech and Language Therapists.</p>	<p>1</p> <p>Speech & Language TA</p> <p>£28,000</p>
<p>Purchase of further Little Wandle Letters and Sounds Phonics (DfE approved) + decodable books</p> <p>Training for new staff members + release time for assessment/monitoring</p>	<p>Systematic phonics teaching is an important component in developing early reading skills, particularly for disadvantaged pupils. It allows pupils to make connections between phonemes and graphemes.</p> <p>Impact = + 5 mths</p> <p><u>Education Endowment Foundation - Phonics Toolkit</u></p> <p>Partner school with the English Hub to get additional support with monitoring and developing phonics and reading across school.</p>	<p>2</p> <p>£1500</p> <p>Release time for staff training + assessment and monitoring</p> <p>£3,000</p>
Retention of identified staff members trained as ELSA (Emotional Literacy Support Assistant) + Bereavement Champion	<p>Social and emotional learning allows pupils to effectively manage their emotions and promotes increased pupil wellbeing.</p> <p>School based evidence: children who have accessed the school counsellor or Children's Psychological Wellbeing Practitioner engage better with their learning and show increased attainment.</p> <p>Impact = + 4 mths</p> <p><u>Education Endowment Foundation - Social and Emotional Learning</u></p>	<p>4</p> <p>Included (S&L TA) + ELSA TA - £25,000</p>
Mastering number training for key KS2 staff	<p>The Maths Mastery programme aims to develop KS2 pupils' application skills in Maths. Two members of staff will receive training and disseminate across school.</p> <p><u>NCETM - Mastering Numbers</u></p> <p><u>Education Endowment Foundation - Early Numeracy Approaches</u></p>	<p>3</p> <p>£1,500</p>
Sport CPD for support staff in gymnastic,	<p>Quality first teaching promotes good pupil progress. Support staff often utilise some of the techniques learnt</p>	

dance, invasion games (Sporting Futures)	from attendance at Sporting Futures sessions when they supervise pupils at breaktimes. <u>Guidance-reports/effective-professional-development</u>	£6,825 – Sporting Futures £5,490 – Go Well
---	--	---

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £66,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Small group support for Phonics	School evidence: previous small group support for phonics has demonstrated that pupils make good progress from low baselines with Y1/Y2 PSC results consistently above national average in previous years. <u>Education Endowment Foundation - Small Group Tuition</u>	2 TA £30,000
1:1 Reading comprehension support	School evidence: whilst developing reading fluency, some target pupils have not been able to access texts for meaning. With additional 1:1 tuition on the skills of inference and deduction, they have shown a greater understanding of the author's meaning. <u>Education Endowment Foundation - Reading Comprehension</u>	Intervention Teacher £9,000
Small group tutoring	School evidence: pupils with outstanding gaps and misconceptions have intensive support over an average of 15 weeks to address specific issues in Maths, Reading and Writing. Previous pupils have recorded high engagement/enjoyment levels with a resulting increase in self-confidence. Baseline assessments and progress sheets show that the majority of pupils have made above expected levels of progress to secure key focus skills over the course. (Total weeks 32) <u>Education Endowment Foundation - Small Group Tuition</u>	3 £27,000

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £94780

Activity	Evidence that supports this approach	Challenge number(s) addressed
----------	--------------------------------------	-------------------------------

Programme of visits and visitors to provide experiential learning and extend vocabulary	School evidence: First-hand experiences have promoted high levels of engagement and staff report that children remember key knowledge and vocabulary in the longer term.	5 Trips & Visits £5,000 Resources & Incentives £2,500
1:1 or small group intervention with Children's Psychological Wellbeing Practitioner or 1:1 session with School Counsellor	Some pupils have specific emotional needs which can not be met by class/large group PSHE teaching. They need personalised support to address quite complex needs. School evidence: pupils struggling to focus on academic learning due to external factors, have shown increased attendance, engagement and confidence following a programme of wellbeing support. <u>Education Endowment - Social and emotional learning</u>	4 ECWP £3,600 DBC SLA £3,880 School Counsellor £3,800
Inclusion Officer - Intensive support + challenge for families with low attendance + resources and rewards for attendance	School evidence: Rigorous tracking and intervention by the school's Inclusion Officer has demonstrated that the resulting increase in attendance impacts positively on attainment. Previous research from the DfE highlights the link between high attendance and high attainment. <u>The link between absence and attainment at KS2 and KS4</u>	6 £20,000 Book tokens for 97+% termly/annual attendance & other resources £2500
Behaviour Support consultant + resources	A number of parents seek our support for ways in which to deal with their child's challenging behaviour in the home. We utilise a Behaviour Support consultant who advises parents and provides them with strategies and resources. This can have a positive impact on attendance. <u>Education Endowment Foundation - Behaviour Interventions</u>	£1000
1:1/small group for academic + behaviour support of SEN/ASD pupils in EY, KS1 + KS2	Some pupils with ASD or on the ASD pathway require additional support within the classroom or on a 1:1 basis. Staff are able to provide clear routines and expectations whilst addressing specific academic targets <u>Education Endowment Foundation - Behaviour Interventions</u>	SEN TA £15,000 1 x YR Supply TA £20,500
Free Breakfast Club Resources + supervision costs	School evidence: target pupils have recorded improved punctuality and attendance when joining Breakfast Club <u>Education Endowment Foundation - News: Breakfast clubs found to boost primary pupils' reading, writing and maths results</u> School Food Standards: FSM milk for lunch – providing low-fat milk for drinking at least once a day	Staff costs £6,600 Food & Materials £5,000 £5,000

After-school arts/crafts + music clubs Supervision + resources	School evidence: children report that they prefer coming to school on the day of an after-school club and it supports their wellbeing <u>Education Endowment - Arts participation</u> Impact = + 3 mths	Arts and Crafts Materials/Staff costs £1000
Music Tuition and Instrument Hire	Additional Violin Tuition in School <u>Evidence/teaching-learning-toolkit/arts-participation</u>	£3,000

Total budgeted cost: £232095

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2024 to 2025 academic year.

Following intensive phonic support throughout 2024/2025 for 19 disadvantaged pupils, 12 pupils recorded 32+ in the PSC.

Y1 pupils (all) = 76.7%

Y1 pupils (in receipt of Pupil Premium) = 75%

Y1 pupils (all) average score = 30.6

Y1 pupils (in receipt of Pupil Premium) = 28.8

KS2 SATs and Teacher Assessments (62% Pupil Premium)

1:1 and small group intervention enabled children in receipt of Pupil Premium to achieve:

ARE Reading – 60.7% compared to 75% National All

ARE Writing – 64.3% compared to 72% National All

ARE Maths - 64.3% compared to 74% National All

ARE GPS – 67.9% compared to 73% National All

GD Reading – 25% compared to 33% National All

GD Writing – 3.6% compared to 13% National All

GD Maths – 7.1% compared to 26% National All

GD GPS – 14.3% compared to 30% National All

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider
Speech Link	Multimedia Ltd
Language Link	Multimedia Ltd
Reading Plus	Discovery Education

Service pupil premium funding (optional)

For schools that receive this funding, you may wish to provide the following information:

Measure	Details
How did you spend your service pupil premium allocation last academic year?	<ul style="list-style-type: none">• Service pupils were offered the opportunity to learn to play the violin – instrument hire and tuition funded by pupil premium• Service pupils were provided with 1:2 small group intervention in Maths and Reading where needed
What was the impact of that spending on service pupil premium eligible pupils?	<ul style="list-style-type: none">• Violinists performed in whole school assemblies

Further information (optional)

Further activities that we are implementing to support disadvantaged pupils that are not dependent on pupil premium or recovery pupil premium:

We supported our Y6 pupils with an intensive transition project to promote Y7 engagement. The cohort (62% disadvantaged pupils) participated in fortnightly sessions of the In2 project which aims to build pupil confidence and enhanced communication skills so that pupils are ready to embrace the challenges and opportunities of secondary education. The children have increased access to arts, drama and music projects. The cohort is encouraged to develop their pupil voice on current global issues – banners and posters are displayed on corridor walls and school fences to share their thoughts with the wider community.

We have created a 'Careers' lead to provide our pupils with knowledge of a wide variety of career paths of which they might have little experience. Visitors, with a particular focus on challenging gender and ethnicity stereotypes, are invited in to school to inform children about their role. We hope that this will provide our pupils with the knowledge to pursue their aspirations.
