

Firthmoor Primary School Newsletter

Date: Friday 17th July 2026

Dear Parents and Carers,

As we reach the end of another successful school year, I would like to take this opportunity to extend my sincere thanks to everyone who has contributed to our school community.

Firstly, to our wonderful pupils – thank you for your hard work, enthusiasm, resilience and kindness throughout the year. You continue to make us proud through your achievements, your determination to do your best and the positive way in which you support one another every day.

To our parents and carers, thank you for your ongoing partnership, encouragement and trust. Your support at home and engagement with school life play a vital role in helping our children thrive, and we are grateful for everything you do.

I would also like to express my heartfelt appreciation to our dedicated staff team. Their commitment, professionalism and unwavering focus on providing the very best opportunities for our pupils are truly exceptional. They go above and beyond every day to ensure that our children are happy, safe and successful.

My thanks also go to our governing body and trustees for their guidance, challenge and support throughout the year. Their dedication to our school's continued improvement and success is greatly valued.

Finally, I would like to thank our Trust for its ongoing support, collaboration and shared commitment to providing the highest quality education for all children. The opportunities, expertise and guidance they provide strengthen our school and help us continue to grow.

Together, we have achieved so much this year, and that success is a reflection of the strong partnerships that exist across our school community. Thank you all for your support, encouragement and commitment. I wish everyone a safe, restful and enjoyable summer break, and I look forward to welcoming you back in the new academic year.

A reminder that newsletters will be emailed to you once a fortnight, uploaded to the school website and put on Facebook in order to ensure that everyone can see it. Please can you keep an eye out for information on all school events.

A reminder that school closes for the summer holidays on Friday 17th July 2026.

Arbor

Instead of paperwork to complete for the next academic year, we will be sending this out via Arbor for you to read and click that you consent.

Sign-ups for Breakfast club and the wraparound club for September are being worked on and should be available by the end of next week.

The Office staff would like to pass on their thanks to everyone who has registered and are using Arbor regularly. We have 98% of the school registered- which is amazing. As always, if you need any help with any aspects of Arbor please contact the admin team.

Childcare for Reception to Year 6

Our after-school childcare is now up and running and we are delighted that it continues to be a great success. After school childcare will run from 3.15pm until 6pm with a view to also providing an earlier childcare breakfast club offer if we have sufficient need (please could you contact the school office to notify them of your requirements so that they can make a note of your details and ensure that you get further updates).

If you would like to register your child for after school childcare then please book the sessions via the clubs/wraparound care section – any queries contact the admin team.

2 year olds in Nursery

We are delighted that we will be able to take 2 year olds in our nursery next academic year. If you require any further information then please contact the school office or complete the form on the school website.

Pupil Attendance

We need to safeguard all pupils in school so when a pupil is absent, and we have not heard from the pupil's family for 3 days then we will call out to the home to check that the pupil is fit and well. If we are not able to make contact, then we may refer this to the local authority safeguarding team. If you are on holiday, then please let the school know so that it does not become a safeguarding issue.

School Uniform

It is our expectation that all pupils conform to wearing our school uniform. This includes suitable black trousers, a pale blue polo shirt, a red jumper (this can be with or without a school logo) and suitable black school shoes. Summer dresses are allowed in the warmer months, or with tights in the colder months. If you require any support sourcing our uniform, please enquire any support with Rosie O'Meara, our Inclusion Support Advisor who will be happy to assist. School can of course look at making reasonable adjustments giving consideration to a child's needs, for a discussion around this, please also contact Rosie O'Meara or your child's class teacher.
